Twelve ways to build and grow

What would you like AI to do for your business?

Choose one service or combine several. Every offer comes with a fixed scope, a clear timeline and pricing in naira or US dollars.

ASSESS AND ADVISE

CF-SVC-001	**AI Readiness Assessment** A 2-hour structured review with a scored report and 90-day roadmap.	from ₦150,000 | $120
CF-SVC-006	**LLM Reliability and Cost Audit** Find what fails and what costs too much in your live AI system.	from ₦400,000 | $310
CF-SVC-008	**Team AI Training Workshop** Hands-on training so your people use AI well in their own roles.	from ₦500,000 | $385

BUILD

CF-SVC-002	**WhatsApp AI Agent** A custom agent that serves and sells on WhatsApp around the clock.	from ₦850,000 | $655
CF-SVC-003	**Company Knowledge Assistant** A private assistant that answers from your own documents, with sources.	from ₦1,200,000 | $925
CF-SVC-004	**AI Workflow Automation Sprint** Two weeks to turn one manual process into a reliable automation.	from ₦600,000 | $465
CF-SVC-005	**AI-Powered MVP Build Sprint** A live first version of your product in four weeks.	from ₦2,500,000 | $1,925

LAUNCH ONLINE

CF-SVC-011	**Business Website Launch** A fast, professional site that turns visitors into WhatsApp enquiries.	from ₦350,000 | $270
CF-SVC-012	**E-commerce Store and App** An online store, with optional mobile app, that takes payments and orders.	from ₦1,200,000 | $925

GROW

CF-SVC-009	**AI Marketing Engine** Planned, created and published content with ads and clear reporting.	from ₦700,000 | $540
CF-SVC-010	**AI Video Ads** Polished short video ads for WhatsApp, Instagram, TikTok and Facebook.	from ₦350,000 | $270

PARTNER

CF-SVC-007	**Monthly AI Retainer** An AI engineering team on call every month, with no lock-in.	from ₦450,000 | $350 /mo

Prices shown are starting prices for the Standard tier. USD pricing applies to international clients.

Start with an AI Readiness Assessment and its fee is fully offset against any build that follows.
