AI Readiness Assessment

Is your business ready for AI?

A structured 2-hour engagement that gives you a clear, honest picture of where you stand and exactly what to do next.

WHAT IS INCLUDED

- **Business and Process Audit**
  A structured review of your core operations, workflows and current technology stack to find the entry points for AI.
- **Data Landscape Assessment**
  An evaluation of your data availability, quality and infrastructure, the biggest single factor in AI feasibility.
- **Use Case Prioritisation**
  We identify and rank 3 to 5 high-impact AI opportunities for your business, with effort and ROI estimates.
- **Risk and Readiness Scoring**
  A scored profile across six dimensions: data, infrastructure, team, process, budget and strategy.
- **Written Assessment Report**
  A clear, jargon-free report of 5 to 10 pages with findings, your readiness scores and a prioritised roadmap.
- **30-Minute Debrief Call**
  A session after report delivery to walk through the findings and answer implementation questions.

WHO THIS IS FOR

- Businesses considering their first AI investment
- Founders unsure where AI fits their operations
- CTOs wanting an external, objective AI audit
- Companies with failed AI pilots that need a reset
- Organisations preparing an AI business case
