AI Marketing Engine

Ready to market consistently without a big team?

An AI-assisted marketing system that plans, creates and publishes your content, then reports what is bringing in customers.

WHAT IS INCLUDED

- **Brand and Audience Profile**
  We capture your voice, offers and ideal customers so content sounds like you.
- **Content Strategy**
  A 30-day calendar across WhatsApp, Instagram, TikTok, Facebook and LinkedIn.
- **Content Production**
  Captions, posters, short scripts and broadcast messages created in your style.
- **Campaign Setup**
  Click-to-WhatsApp and social ad structures with clear naira budgets.
- **Lead Capture and Follow-up**
  Simple flows that turn enquiries into conversations and sales.
- **Performance Report**
  Plain-language results showing reach, enquiries and cost per customer.

WHO THIS IS FOR

- SMEs posting inconsistently or not at all
- Founders handling marketing alone
- Retail, beauty, food and service brands
- Businesses running ads without clear results
- Teams wanting a repeatable content process
