AI Video Ads

Need scroll-stopping video ads without a film crew?

Short, polished video ads for WhatsApp Status, Instagram, TikTok and Facebook, produced fast with AI and tailored to your brand.

WHAT IS INCLUDED

- **Creative Brief and Concepts**
  We agree on offer, audience and hook, then present concepts before production starts.
- **Scripts and Storyboards**
  Tight scripts in English, Pidgin or other local languages, written to hold attention.
- **AI Video Production**
  Visuals, motion, voiceover and music created with leading AI video tools.
- **Brand Polish**
  Your logo, colours, product shots and captions applied to every video.
- **Multi-Format Delivery**
  Each ad exported for vertical, square and landscape placements.
- **Revisions**
  Two rounds of changes per video to get every ad exactly right.

WHO THIS IS FOR

- Brands launching or promoting a product
- Businesses advertising on Meta and TikTok
- Real estate, fashion, food and events companies
- Founders needing ads quickly and affordably
- Agencies needing production capacity
