**E-commerce Store and App**

# Ready to sell your products online, around the clock?

A complete online store, with an optional mobile app, that takes payments, manages orders and keeps your customers coming back.

## WHAT IS INCLUDED

- **Store Strategy**
  We plan your catalogue, categories, delivery zones and checkout flow around how your customers buy.
- **Store Build**
  A fast, branded storefront with search, product pages, cart and secure checkout.
- **Payments and Delivery**
  Paystack or Flutterwave payments, plus delivery fees and pickup options by location.
- **Order Management**
  An admin dashboard for products, stock, orders and customer records.
- **WhatsApp and Email Alerts**
  Instant order notifications to you and confirmations to your customers.
- **Launch Support**
  Product upload help, testing, training and 30 days of fixes after go-live.

## WHO THIS IS FOR
